

BRACELET ECO

Sustainable

SAVE THE PLANET
CERTIFIED RECYCLED PET

WHAT DO THE 3 COLOURS OF THE BRACELET REPRESENT?

BLACK: Represent the colour of waste and carbon choking up our planet. Everybody needs to recycle and reduce their carbon footprint.

WHITE: Represent the colour of recycling, of purity and of clearliness. This happens when we actually take action and realise our responsibilities.

BLUE: Represents the color of our skies and seas, the expansiveness and the freedom that both bring to our improved wellbeing.

SAVE MY SEA

**You can't change
the past but you can
CHANGE THE FUTURE**

This string bracelet has been made from recycled plastic bottles gathered from many parts of the world.
